In Lieu of a Traditional Work Sample

Revised: 06/24/2010 ~

This form should be used when a traditional work sample is not available, such as a special activity that does not produce a tangible sample of work. Examples would include but are not limited to Oral Report/Physical Activity/Project/Field Trip/Art/Music/Drama/Other:_____.

Some examples would be:

- Elementary student who has completed sound drills, rhythmic patterns of clapping.
- Middle or high school student who has produced a video project reviewed and verified by the credential teacher.
