## Earth Science Field Investigations: Sierra Nevada Geology

Spend a day observing and studying the geology of California's amazing Sierra Nevada. The focus will be to help students understand the processes and sequence of events that have shaped these mountains. There will be several scheduled stops including Little Sweden, The Gargoyles, Columns of the Giants, Clarks Fork, and Sonora Pass. Students will have a chance to collect rock and mineral samples for their collections.

**Thursday, September 29, 2011 (SIGN-UP BY THURSDAY, SEPTEMBER 22)**

**Cost: No cost to Gold Rush Charter School students**

***This Field Trip is required for all Earth Science students.***

*Yes, I plan to participate in this Field Trip. Please reserve a place for me.*
