Earth Science Field Investigations: California's Volcanic History

Spend a day observing and studying the geology of Table Mountain and its place in the volcanic history of California. Students will collect rock samples and complete a set of activities designed to help them better understand California's rocky past.

Thursday January 26, 2012 (SIGN-UP BY TUESDAY, JANUARY 24)

Cost: No cost to Gold Rush Charter School students

This Field Trip is required for all Integrated Science students.

Yes, I plan to participate in this Field Trip. Please reserve a place for me.

Student Signature _____
