

# Drive-thru Graduation 2020!

## Dear GRCS Families,

Administration is working hard to provide a memorable, special graduation, which all of our graduates deserve. This is proving to be quite the challenge given the ever-changing landscape that COVID-19 is causing. We remain committed to honoring our students and will move forward with our plans for graduation, which are contingent upon state and local guidelines. Therefore, we have put together an exclusive program that will both celebrate our graduates as well as adhere to the current social distancing requirements. Safety is our priority, so we will limit the number of vehicles on campus during the ceremony. The entire event will be recorded and available after the ceremony, as well as a link to view the slideshows. More details will come once graduates have registered and we get closer to the date. Please stay tuned and answer your all-calls for more information regarding this important event. The links for graduates to sign up and submit photos are live on our website, [goldrushcs.org](http://goldrushcs.org).
